

# **Turnkey** Webpublishing

Is a digital Web Marketing Agency that only deal exclusively with domain registration operators, we never deal with the public directly. We offer high quality traffic to AdSense publishers for maximum CPC & CPM

Our Traffic is of the highest premium value, that would otherwise cost you a fortune to acquire from PPC Platforms like FaceBook Ads.

**Your AdSense & other accounts are 100% Safe as the traffic we send is completely organic and natural, that can be fully tracked in Google Analytics!!**

**Expect to receive between 250 - 500 daily  
guaranteed visitors !!**

**Many of the domains in our inventory are getting between 10k to 16k unique hits**

from referral sites like Google, Yahoo & Bing that you can tap into for laser targeted traffic that you can convert & monetise by serving AdSense ads to them for great ROI, where you earn with every click.

We work with sites being monetised by ads across all industry sectors to grow their passive incomes.

Our Ground breaking SEO & Premium Organic Traffic solution is **the only service** on the market where you can buy the actual domain sending the targeted niche traffic or simply let us redirect it's traffic for a set period that you choose.

We give you complete control over the traffic. No other provider on the market would give you the opportunity to buy the source of traffic like we do

**OUTRIGHT!!**

Can you imagine building a network of domains sending you upwards of **100,000 unique visitors** every month without paying for content or backlinks. **This traffic is a goldmine!!**

How much AdSense revenue could you generate?

Some newbies who are running blogs that are totally reliant on AdSense for their income are generating over **\$300/Mo** from a single hosted blog.

**Imagine having over 10 content driven blogs in various niches. You could scale up very easily with this game changing service that gets rid of all the uncertainties of online traffic creation!!**

**We are talking about Real Human Traffic that comes from USA, UK & CA - tier1 countries!! Delivered within 24 hours.**

**If you want to boost your search engine Ranking - SuperCharge your AdSense income on a monthly basis then start a campaign with us without delay.**

**Don't wait years writing content to hope and pray to rank, by out performing your competitors with tons of content and articles that users read but take no action.**

**Stop updating your sitemap in anticipation that Google overlooked a page or link, hoping the search algorithms will pick your site pages up and give them special treatment, which never happens.**

**Start getting immediate search Traffic from our network of between 80k -100k Laser Targeted domains - to start getting the results your business needs.**

Over 100k High Traffic Authority
